## PROFESSIONAL EXPERIENCE

*Graduate Teaching Assistant* **Research Methods & Data Analysis II** Remote

**January 2021 - Present**

- Designs and teaches course material on econometric methods including regression discontinuity, instrumental variables, panel data, differences-in-differences and more with STATA applications to 52 students.
- Grades students' assignments and assessments to help foster greater understanding of course concepts for a policy analysis framework.

*Lead Student Researcher* **UVA: CommPAS Labs** Remote

**Oct 2020 – Present**

- Investigates racial disparities in referrals for child welfare system for Albermarle County Department of Social Services.
- Uses R (ggplot) to build visualizations and models for allegations of maltreatment by race.
- Synthesizes quantitative analysis into final report for non-quantitative audience using LaTeX.

*Data Analyst Intern* **UVA: Office of Health Promotion** Remote

**May 2020 – July 2020**

- Cleaned and analyzed a 500+ variable dataset using R to create a presentation that was given virtually to 20+ members of the University's Student Affairs team.
- Derived top 3 key barriers to mental health care; curated data-driven solutions.
- Investigated heterogenous impacts to racial minority and LGBTQ+ students.

*4<sup>th</sup> Year 5K Intern* **UVA: Office of Health Promotion** Charlottesville, VA

**August 2018 – May 2020**

- Serves as a Peer Health Educator (PHE) through presentations, awareness campaigns, and other events.
- Organized the 28<sup>th</sup> Annual 4<sup>th</sup> Year 5K by coordinating donors, participants, volunteers, grant applications, and vendors for over 1,000 UVA and Charlottesville community members.
- Initiated collaboration with LGBTQ Center & FLIP in order to increase race's inclusivity and accessibility.
- Achieved 25% increase in participants from previous year's race.

*Research Specialist Intern* **Gartner** Arlington, VA

**May 2019 - August 2019**

- Researched and designed PowerPoint decks in legal department management best practices for Fortune 500 companies.
- Drafted transcripts and summaries on team meetings, research calls, and webinars that were utilized internally and published on Gartner's website.
- Collaborated with interns to create winning presentation on Gartner's Talent Lab branding strategy.

*Government Affairs Intern* **Knudsen & Co.** Shanghai, China

**March - June 2018**

- Referenced academic literature, news reports, and policy announcements to research, draft, and edit a 30+ page government affairs strategy proposal on entering the Chinese market.
- Research topics included obesity issues in China, health policy at the national, provincial, and local levels, and key government and private industry stakeholders.

**Computer Skills:** Microsoft Office + Google Suite (advanced), R + Python + STATA (intermediate), ArcGIS + LaTeX (intro)
